1. HOTEL ERWIN
jdhhotels.com/hotels/losangeles/erwin
"Venice Beach has always been one of my favorite neighborhoods in L.A., and now that the Erwin has been renovated, I have a cool base for checking out the new restaurants and galleries on Abbot Kinney Boulevard. I love the rooftop bar with its incredible sunset views of the ocean."
Armand Limnander
Deputy Editor

2. INA BEISSNER BRACELET
\$290, inabeissner.com
"I'm a big fan of minimal jewelry, so this collection seemed made for me. Most of the pieces are gold-plated silver, and some have touches of acrylic. This bell-adorned bracelet looks like it could actually ring."
Tina Huynh
Jewelry Assistant

3. MASLIN & CO TOWELS
\$225, maslinandco.com
"Maslin & Co took inspiration from luxury hides to create chic beach towels in various animal prints and colors. I plan to tote mine around on all my beach and park excursions this summer."
Sam Milner
Senior Market Editor and Manager

4. DALA BY STEPHEN BURKS FOR DEDON
Price upon request, dedon.us
"Dedon just unveiled this colorful outdoor chair at the Milan furniture fair. Stephen Burks's worldly, handcrafted aesthetic together with Dedon's signature large-scale weave is a match made in heaven."
Virginia VanZanten
Associate Editor

5. YVES SAINT LAURENT GLADIATOR SANDAL
\$995, ysl.com
"A sandal like this is a summer essential for me. I love this version in snakeskin."
Karla Martinez
Fashion Market and Accessories Director

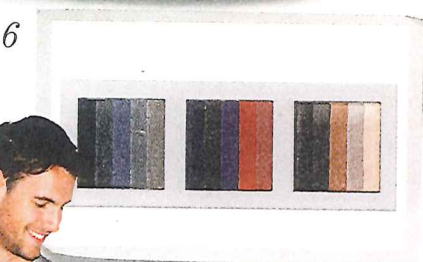

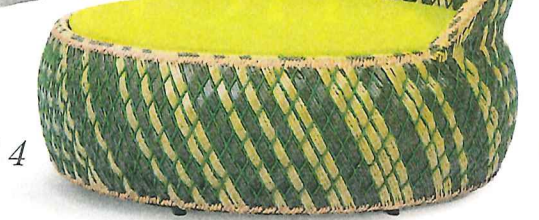

6. NP SET RAINBOW EYE PALETTE
\$20, target.com
"A wonderful combination of things I adore: a mix of neutral shades (15 total), minimal shimmer, and white packaging, which is such a nice change from the usual black."
Jane Larkworthy
Beauty Director

7. ROBERT CLERGERIE SHOE
\$995, robertclergerie.com
"I've always coveted Roland Mouret's clothing. And now that, as Robert Clergerie's creative director, he's debuting his first shoe collection—which features forties-inspired styles like this one—I have a new reason to be obsessed."
Claudia Mata
Jewelry and Accessories Director

8. BOGLIOLI DOVER SUIT
\$1,895, Barneys New York, New York
"Count me among the legions of guys who have fallen for the unstructured elegance of Boglioli's suits. This one looks like it would work as well at the office as it would for a night out."
Timothy McCahill
Research Editor

9. JAMES NARES FOR COACH CANVAS TOTE
\$798, select Coach stores
"Coach teamed up with the English expat artist James Nares for this canvas tote. It's really versatile: Great for the beach, but it still has that art-world street cred."
William Kahn
Accessories Editor

DO GALLERY AND SHOP AT THE CLASKA HOTEL
